

March 26, 2020

Dear Coosa Christian Family,

With the most recent announcement from Gov. Ivey, we must complete our school year off campus. Fortunately, our school is ahead of the curve on this. Our dedicated faculty and staff continue to work hard to make sure our students are still receiving a great education while in quarantine at home. If you have any questions during this time, the teachers are available through email. They are listed below for your reference. The school office will be open if you need assistance. However, to allow for social distancing, we prefer you text before you come. 256-356-5374. Also, please feel free to text us at this number if you have any questions or needs. Remember, The Church At Wills Creek food pantry will provide help to any family in need.

We need your help! We don't get to finish one year before planning the next. This is the time of year we are usually working hard to get ready for the next school year. With us not being at school on a day to day basis, communication is tough. If your family is planning to return for the 2020-2021 school year, please help us out by going ahead and registering. We understand this is an unknown time for everyone and some may not be able to commit at this time. If this is the case, all we ask is that you please just let us know your plans so we can plan accordingly. Registration forms are available to be emailed and or mailed to you.

We love and miss our Coosa Christian family very much and are praying for each of you. Thank you all for your prayers and for continuing to support Coosa Christian financially during these difficult times.

Sincerely,

Amanda Justus

For God has not given us a spirit of fear, but of power and of love and of a sound mind.

2 Timothy 1:7
